Genuine Leather ROCKER

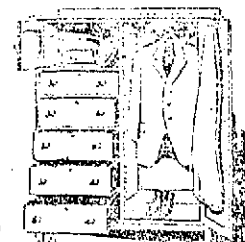

\$22.50

The manufacturer of these Rockers is an expert judge of leather. The man at the head of the factory from which these rockers come is known throughout the country as one of the most expert judges of leather, and this factory makes a specialty of leather upholstered furniture. Every skin as it is received is thoroughly tested before it is cut and turned over to the upholsterers. It is well known in the furniture trade that the leather used in the construction of this "Genuine" Rocker is guaranteed the very finest grade obtainable. We say "guaranteed" emphatically upon this because there is a great deal of leather used on furniture that is second and third grades, and consequently will not give the service that this leather rocker will.
